

## ***Cardinal Golf & Country Club Membership Offering***

***We are pleased to announce the following limited membership offering in the form of a “callable” initiation fee for membership, enabling new members to join today, deferring initiation to a later date, and offering the new member control over the initiation fee due at the time it is called.***

- *The current initiation fee is \$ 12,500. Those members joining now under the callable membership will be ‘grandfathered’ under this program and their initiation fee will be \$ 12,500 or less, with the remainder to be paid in 3 annual installments commencing with the date the membership is called.*
- *The Cardinal will have a maximum of 430 members. Once our membership has reached capacity and we establish a waiting list we will require those members who joined under this program to pay their initiation fee or resign their membership. We will work in reverse order of membership date – the last member to join will be ‘called’ first.*
- *Callable membership has a referral incentive plan in place to encourage participating members to bring others to the club. For each new Full Golf member that is introduced to the club, the referring member will receive \$3,000 in initiation credit. The new member must remain active at a full golf category for a minimum of one year.*
- *Callable membership applies to Full Golf Membership only. Dues for this class will be fixed at \$350/month for two years.*
- *Callable membership can not be used in conjunction with any other membership plans.*
- *This membership opportunity is a Full Family Golf membership and allows for access to all facilities and amenities including: golf, range, pool, social, and dining. All related fees apply.*

*The Cardinal Golf & Country Club is dedicated to providing distinctive sports, dining, recreational and social activities that enhance the quality of life within the community. It is our ambition and intent to provide our Members and their guests with a unique and service-oriented golfing experience, founded upon an original Pete Dye designed golf course, featuring premium facilities and services.*

*In addition to exceptional Club facilities and an extensive array of programs and activities for members and their families, membership in the Club offers a number of attractive benefits including:*

- *Immediate Family Privileges*
- *Special Guest Privileges at various Clubs owned and operated by McConnell Golf*
- *No Operating Assessments*
