

Program Outline

McConnell Golf (MCG) is dedicated to amateur and junior golf. To demonstrate this commitment, the company launched the MCG High School Golf Scholarship Program in 2008. Many talented young golfers often have no quality courses or practice facilities that they can utilize. Membership to most private courses is out of reach for the parents of some of these very talented young golfers, leaving only crowded public courses and often-inadequate practice facilities. The driving force behind the McConnell Golf High School Golf Scholarship Program is to afford an opportunity to these high school golfers by allowing them to become members of a McConnell Golf property or club. With the ability to enjoy first-rate golf facilities, MCG hopes these high school golfers will have the ability to elevate their game. Currently, McConnell Golf owns eight private, top-quality golf courses in the Carolinas, and each property has a state-of-the-art practice facility.

Eligible juniors

Scholarship eligibility requires the golfer must currently be involved in an organized golf program sponsored by a school (golf team). Golfer must be currently enrolled and attending school, and must be in high school (grade 9-12). Recipients must be nominated by their current golf coach, and will be required to submit and maintain a handicap on the GHIN handicap system. Parents of the golfer may not be members of any private club in the area or have dropped their membership from a MCG property in the last 12 months, and MCG reserves the right to deny any scholarship if certain financial needs are not satisfied. All scholarship awards and/or the termination of such awards will be granted and/or recalled at the sole discretion of MCG.

Guest Play Privileges

All guest privileges that are outlined in the MCG 2013 Rules and Regulations apply, as well as the following:

- Recipients are allowed to bring guest on occasion.
- Guest play is restricted to week days at Raleigh Country Club, Sedgefield Country Club and Cardinal Golf & Country Club. All other MCG properties allow for play on weekends in the afternoon only based on availability.
- All guests must be approved by the golf staff at the Club in which they are to play.
- Under no circumstances are unaccompanied guests allowed to play a MCG property.
- Guest cannot be over the age of 21, or be the parent or guardian of the recipient.
- Only one guest per round is allowed.
- Guest must have at least a 15 handicap in order to play any MCG course.
- No guest can play more than 6 times per year at a MCG course.

Cancellation or Recall of Scholarship

McConnell Golf expects recipients to conduct themselves in a manner consistent with the policies outlined in the MCG 2013 Rules and Regulations. In addition, the recipient is expected to maintain high academic standards and demonstrate a moral conduct that reflects positively upon the organization. If a recipient violates any rules or regulations, or is deemed to be a negative influence on other program recipients, then McConnell Golf reserves the right to cancel a scholarship without notice.

Rules of Play

Rules of play for High School Golf Scholarship recipients will be governed under the normal rules of play as outlined in the 2013 MCG Rules and Regulations. In addition, all High School Golfer recipients may not rent or operate a cart at any time. If playing with another member who is over the age of 16, the junior recipient may ride in the cart. High School Golf recipients can access the course at anytime, but must always have approval from the golf staff. Practice facilities are accessible at any time by High School Golf recipients.

Term of Scholarship

Scholarships are for the recipients full high school career, but not to exceed 4 (four) years.

Agreement to Volunteer

On occasion, MCG has need for volunteers to help with course events and tournament preparations. Recipient agrees to make him or herself available for volunteer work and will contribute a minimum of 20 hours per year. MCG is respectful of the academic and financial responsibilities of young golfers, so the maximum amount of volunteer work that will be requested from any recipient will be sixty (60) hours per year.

Tournaments

The High School Golf recipient may also be eligible for MCG-hosted junior tournaments. The entry fee to any MCG tournament will be waived for recipients. MCG also encourages recipient to participate in other state and national events. Recipients agree to wear MCG apparel at all outside tournament events.

Commitment to Promote McConnell Golf

Recipient agrees to promote McConnell Golf at all events, and while a recipient of the golf scholarship, he/she also agrees to wear MCG apparel at all tournaments and at any PGA-

sponsored tour event. Furthermore, recipient agrees to participate in future junior clinics and events held at a MCG Club. MCG will be reasonable in requests and honor the time commitment required by a PGA tour professional.
