## Juslyn Vineyards: Pinot Grigio

Juslyn Vineyards, owned by Perry and Carolyn Butler, is located in the prestigious Spring Mountain District AVA, one of the most highly regarded mountain appellations in Napa Valley. The British ex-pats arrived in California in the 1980s to launch a high-tech company in the San Francisco Bay area. After routine 80-hour work weeks, the couple relaxed during weekend trips to Napa Valley, where they were bitten by the wine bug. Dreams of high-tech dominance soon turned into thoughts of returning to the land and producing the best wines

possible. In 1997, their dream became a reality when Perry and Carolyn sold their computer business and founded Juslyn Vineyards on a site overlooking the renowned Spring Mountain Winery.

The 2019 Juslyn Small Lot Pinot Grigio is 100% Pinot Grigio and 100% Mendocino County grown. This wine is sourced from one of the most famous vineyards in the Anderson Valley. A wine offering enticing pear and floral aromas leads to rich peach and lively tropical fruit flavors. It pairs nicely with seafood, light pasta and various cheeses, and it is perfect to enjoy while sitting around the pool on a warm summer's day.
