EXCLUSIVELY BOTTLED FOR MCCONNELL GOLF

Kerr Vineyards: Cabernet Sauvignon

Born and raised in Miami, Florida, Cristie Kerr began playing golf at the age of 9. Establishing herself as a prodigy, Kerr was the top-ranked player in Florida, playing on the men's team, from the same tees. She also had one of the most successful amateur careers in the history of the sport. Kerr joined the Ladies Professional Golf Association (LPGA) Tour in 1997. Since her maiden victory in 2002, Kerr has been one of the top players in the game with more than 170 top-10 finishes, 20 victories and career earnings over \$19 million.

In 2012, Kerr launched Kerr Cellars, a limited production fine wine collection with award-winning winemaker Helen Keplinger. The Reserve, Pinot Noir and Sauvignon Blanc wines were received with rave reviews and scores in the 90s, with the 2013 Reserve receiving 98 points on its initial vintage. Wine Spectator named Kerr Vineyards a "Winery to Watch" in 2016.

At Kerr Cellars, a meticulous attention to detail in winemaking is their labor of love. Their small batch wines are produced from the finest and most exclusive vineyards, and each vintage is expertly handcrafted. This Cabernet Sauvignon is garnet purple in color with an explosive nose of satsuma plum, graphite and melted Valrhona cocoa. The palate is drenching and structured with luscious blueberry, musk and cold brew coffee. This wine is balanced with supple yet chalky tannins and finishes with assertiveness, bright acids and polished oak. It is hand-harvested in the early morning throughout October and aged 12 months in 60% New French Oak, 40% one-year-old French Oak, 78% Oakville Cabernet Sauvignon, 17% Oak Knoll Merlot and 5% Sage Ridge Petit Verdot.
